

# Vyasa Puja & 51<sup>st</sup> Chaturmasya Vrata

of Jagadguru Shankaracharya Sri Sri Bharati Tirtha Mahaswamiji

Dear followers of Sanatana Dharma,

The 36<sup>th</sup> Peethadheeshwara of Dakshinamnaya Sri Sharada Peetham, **Jagadguru Shankaracharya Sri Sri Bharati Tirtha Mahasannidhanam** will be observing His 51<sup>st</sup> Chaturmasyam in the Vishnavasu Samvatsara along with His successor-designate, **Jagadguru Shankaracharya Sri Sri Vidhushekhara Bharati Sannidhanam**, in Sringeri.

The Jagadguru will commence the Chaturmasya Vrata with Vyasa Puja on Ashadha Poornima (Thursday, the 10<sup>th</sup> of July 2025) and complete it on Bhadrapada Poornima (Sunday, the 7<sup>th</sup> of September, 2025).

Devotees have always deemed it a privilege and duty to offer Bhiksha Vandanam, Vastra Samarpanam and other sevas to the Jagadguru during Chaturmasya. It is also an important occasion to have Darshan of the Jagadgurus and receive Their Blessings.

I am sure that all devotees would offer their Sevas at the Lotus Feet of the Jagadguru during this period and get blessed. Prior information of your program and Sevas to be offered will help us in proper coordination.

I am pleased to convey the Benign Blessings of the Jagadguru for the welfare of you and your family members.

Yours sincerely

## ABOUT CHATURMASYA VRATA

Chaturmasya Vrata is observed in accordance with the Shastras by Sannyasis for a period of two months from Ashadha Poornima to Bhadrapada Poornima. During the Chaturmasya, Sannyasis refrain from moving from place to place, enabling them to devote their time to meditating on the Supreme Brahman, teaching the Shastras to eligible disciples and clearing the doubts of all sincere spiritual seekers.

## GURU POORNIMA OR VYASA POORNIMA

The Chaturmasya begins on the Poornima (full moon day) in the month of Aashaada. This day is called 'Guru Poornima'. On this sacred day, worship is offered to Brahma Vidyacharyas- the great luminaries of hoary antiquity, who through their Supreme grace, have bestowed the knowledge of Brahman - Brahma Vidya - through a long, continuous and uninterrupted line of Acharyas.

The day is also called “Vyasa Poornima” and the Puja performed is titled “Vyasa Puja”. In our Guru Parampara that originates from Ishwara Himself, Bhagavan Veda Vyasa is held with the highest esteem by all followers of Sanatana Dharma. Bhagavan Veda Vyasa has brought about everyone’s welfare by classifying the Vedas into four, by summing up the messages of the Upanishads in His Brahma Sutras, and by penning the great epic Mahabharata as well as the eighteen Puranas. Sri Shuka, Sri Gaudapada and Sri Govinda Bhagavatpada kept the light of the Parampara burning. Then came the Great Master, Jagadguru Sri Adi Shankaracharya, who revived Sanatana Dharma and carried its teachings far and wide throughout Bharatavarsha. The Vyasa Poornima and the entire Chaturmasya period are indeed very auspicious occasions to express our gratitude to the entire Guru Parampara and to renew our Guru Bhakti.
